WHAT TO PACK

Don't forget the essentials

- Power Adaptor**
Have you invested in a power adaptor specific for your destination?
- Medication**
If you require prescription medication, ensure you pack it in your carry-on luggage. It's a good idea to have a letter from your GP, stating the name of the medicine, how much you are taking, and that it is for your personal use.
- Prohibited Items**
Make sure you don't pack any prohibited items in your holiday goodies. Check here: www.travelsecure.infrastructure.gov.au
- LAGs Bag**
For international travel be sure to pack your carry-on liquids, aerosols & gel products in a clear zip-lock bag. Maximum size you can carry on is 100mls or risk them being kept at Customs.

ARRIVE WITHOUT A HITCH

Items to confirm before you depart

- Travel Insurance**
Travel smart, travel safe. Travel insurance is essential and covers things like medical costs and lost luggage etc.
- Passport In-Check?**
Did you know that most countries require at least six months validity on your passport for entry?
- Do You Need a Visa?**
Check out www.dfat.gov.au/visas to check if your holiday destination requires a visa for entry.
- Cash Handy?**
Have you converted some cash into the local currency for your arrival? It's always nice to have a little cash for food & beverage or the taxi when you arrive.
- Vaccinations?**
Check with your GP for recommended vaccinations for your destination. Some vaccinations can be an entry requirement for certain countries. Also find out about taking medication overseas – certain medicines aren't allowed in some countries.

TRAVEL SAFE

Share your travel details

- Register with Smartraveller**
When travelling overseas register with www.smartraveller.gov.au. Travel smart and be safe, you never know when trouble may arise.
- Share with Friends and Family**
Make a copy of your itinerary and share it with a friend or family member in case of emergency. It's a good idea to give them a copy of your passport as well.
- Copy & File**
Pack 2 photocopies of your passport in case it's lost or stolen. One in your luggage bag and one in your wallet or purse. This makes for an easier process when contacting the Australian Embassy in the event of a problem.
- Contact Details**
Before you depart on your holiday, pack a copy of 24hr emergency contact information for your travel agent, travel insurance provider and family members.

DID YOU KNOW?

Many policies don't cover risky activities such as motorcycle, moped riding, skiing, parachuting, scuba diving or surfing. Make sure the policy you choose covers you for your holiday destination and the activities you'll be undertaking. Don't just pick insurance that is the cheapest.
